

Edgewater Technology's Corporate Headquarters Lake Street Entrance - Harvard Mill Square, Wakefield, MA

Please Note: Edgewater's office is located at an office complex called Harvard Mill Square which is off of Albion Street in Wakefield, MA. If you utilize MapQuest and/or a GPS system for navigation, we recommend you enter 5 Lake Street and not Harvard Mill Square for your destination location.

From Boston and Points South of Boston (Approximately 20 to 30 minutes of travel time from Boston):

Take I-93 North to I-95/Rte 128 North.

Follow I-95/Rte 128 to Exit 39, North Avenue.

Take a right off the exit ramp, and follow North Avenue for approximately 1 1/4 miles.

At the set of lights where the Coffee Break is on your left and a small train station is on your right, take a right onto Albion Street.

Then take the second left after the tracks onto Lake Street.

Then take the second left after the tracks onto Lake Street.

Parking is available immediately off of Lake Street on the left hand side.

If this lot is full, proceed to the "overflow" lot indicated in the diagram above.

You will need to walk back up Lake Street to enter the building.

From Points North of I-93 & I-95/128:

Take I-93 to I-95/128 North.

Follow I-95/128 to Exit 39, North Avenue.

If coming from "points" North of I-95/128, take a left off of the ramp.

If coming from "points" in New Hampshire and traveling from Rte 93 or Rte 3, take a right off of the ramp.

Follow North Avenue for approximately 1 1/4 miles.

At the set of lights where the Coffee Break is on your left and a small train station is on your right, take a right onto Albion Street.

Then take the second left after the tracks onto Lake Street.

Parking is available immediately off of Lake Street on the left hand side.

If this lot is full, proceed to the "overflow" lot indicated in the diagram above.

You will need to walk back up Lake Street to enter the building.

Traveling on I-95/128 North

Take Route I-95/128 to Exit 39, North Avenue.

Go right off the exit ramp, and follow North Avenue for approximately 1 1/4 miles.

At the set of lights where the Coffee Break is on your left and a small train station is on your right, take a right onto Albion Street.

Then take the second left after the tracks onto Lake Street.

Parking is available immediately off of Lake Street on the left hand side.

If this lot is full, proceed to the "overflow lot" indicated in the diagram above.

You will need to walk back up Lake Street to enter the building.

Utilizing the Massachusetts Bay Transportation Authority (MBTA):

Edgewater Technology can be easily accessed by traveling on the MBTA's Haverhill/Reading Commuter Line, which can be accessed from North Station.

From North Station, look for the designated train(s) running to the Haverhill/Reading Line.

The Wakefield stop is the 6th stop on the commuter rail.

When exiting the train, head towards the North Shore Pool & Spa store.

At the set of lights where the Coffee Break is on your left and a small train station is on your right, take a right onto Albion Street.

Then walk down the second left after the tracks onto Lake Street.

The entrance to the building will be immediately in front of you at the end of the parking lot on your left as you walk down Lake Street.

If you are traveling from points North on the MBTA, take the Haverhill/Reading Line to the Wakefield stop.

When exiting the train, head towards the North Shore Pool & Spa store.

At the set of lights where the Coffee Break is on your left and a small train station is on your right, take a right onto Albion Street.

Then walk down the second left after the tracks onto Lake Street.

The entrance to the building will be immediately in front of you at the end of the parking lot on your left as you walk down Lake Street.

For more information about the MBTA system, visit the [Haverhill/Reading Commuter Line](#) information page.
